

Coordinates

```
graph BT; Piece -- position --> Coordinates
```

A diagram illustrating a relationship between two entities. At the top is a white rectangular box with a black border containing the text "Coordinates". Below it is a gray rectangular box with a black border containing the text "Piece". A dashed purple arrow points from the "Piece" box up to the "Coordinates" box. To the right of the arrow, the word "position" is written in black text.
